

Bathroom Floor

Project: Bathroom Floor at Factory

Category: Flooring

Area Covered: 47m²

Completion Date: February 2005

System: Rhino Linings TUFF STUFF

Before...

Job Description

This bathroom area was in desperate need of a make over. Rhino Linings prepared the tiled surface with a diamond grind, high pressure wash, and sprayed TUFF STUFF on to the walls and floors. The area was then top-coated with an aliphatic top coat and an anti-slip aggregate.

After...
